Dear Hope:

Congratulations! You have been selected to receive the second annual Memorial Scholarship from the David J. Bentz III Scholarship Fund. Your scholarship will be awarded in four payments of \$1,250.00 for your first four years of college, not to exceed \$5,000.00 Your first payment will be provided to you upon verification of enrollment at the start of the fall semester 2009. Subsequent payments of \$1,250.00 will be made for each fall semester that you formally register, not to exceed four (4) fall semester enrollments.

The Memorial Scholarship has been made possible through the charitable contributions of many people, businesses, and the tireless efforts of Kimberly "Mommadukes" Geonnotti. Through the efforts of many, the David J. Bentz III Scholarship Fund is able to provide you with this special financial award.

The Scholarship Fund established this award to support students like you who have demonstrated an ability to be committed to their team, their coaches, and most importantly, to their education. This scholarship is intended to help you reach your educational goals and can be applied toward any education-related costs, including textbooks, lab fees, uniforms, and/or any other fees associated with your studies.

Hope, through your desire to succeed and hard work you clearly deserve this award. As an athlete you showed the dedication and commitment to work in a team environment. Academically, you displayed a sustained determination to succeed and flourished by knowing how to listen and learn from your peers, coaches, and teachers.

Education is something that touches all of us in some way. For most of us, education is the vehicle which will take us to where we want to go. Although DJ was not the best student he showed that fortitude and determination are essential no matter where you may be. Young woman like you can make a difference for yourself, your family and our country's future. As DJ wrote, "Stand up and fight for yourself, cause I'm doin it right here".

Again, congratulations on being selected for the Memorial Scholarship and best of luck to you as you begin to embark on your college career. It is our hope that you too will make a difference... just as DJ did. On behalf of the Board of Directors, I genuinely congratulate you on this award.

Sincerely,

Darryl Atkinson, Vice - President
